

Volvo Construction Equipment

GENUINE VOLVO PARTS WARRANTY

Two-year warranty

Not only can Volvo Construction Equipment supply you with parts and components that are tailor-made for your machine, we also back them with extensive warranty coverage for your complete peace of mind.

Genuine Volvo Parts and Components are designed and engineered to the highest standards and built to work in perfect harmony with Volvo Construction Equipment. When you fit your machine with Genuine Volvo Parts, you can expect optimum performance, reliability and long service life.

However, should a part fail due to a warrantable defect, Volvo Construction Equipment is here to support you. All Genuine Volvo Parts and Components (excluding wear parts, consumables and maintenance parts) now come with a two-year part warranty as standard.

With Volvo Construction Equipment, every link in the chain is strong. Reliable, top quality Genuine Volvo Parts and Components, along with a professional global dealer network and extensive warranty coverage, afford you complete peace of mind.

Two-year Parts warranty!

Volvo CE is introducing a two-year parts warranty to support customer value of Genuine Volvo Parts and Components. Our confidence in the quality of our parts reinforces our commitment to customer satisfaction and strengthens the partnership bonds between us.

Volvo CE has an extensive dealer network of 213 dealers in 145 countries, supporting construction equipment customers around the world. Visit volvoce.com to find your nearest dealer.

Terms & Conditions

COVERAGE:

Twenty-four (24) months or hours limit, whichever occurs first

HOUR LIMITATION:

6 000 hours

The warranty applies to parts or components found to be defective due to a material fault or poor workmanship during the manufacturing process. The 24-month warranty coverage follows the same terms and conditions as the Volvo Construction Equipment Warranty Terms & Conditions supplied by your dealer. The coverage starts from the date of installation specified by the invoice/work order, or purchase date. Supporting documents shall be made available upon request from Volvo CE. For the complete terms, conditions and limitations, contact your local dealer.

All parts and components replaced or repaired during the warranty period at no cost to either owner/end customer will receive the remainder of the original warranty period. For example, in the event a component with a 24-month warranty period undergoes a warranty repair after 22 months, it will receive the remaining two-month warranty coverage.

The Volvo logo consists of the word "VOLVO" in a bold, blue, sans-serif font. The letters are evenly spaced and have a consistent thickness.
